ASSA 2027 EHA and Clio sessions

Note to participants: the session chair should coordinate computer needs. ASSA does not provide computers. The chair must either provide a computer and arrange for each speaker's materials to be available on that computer, or instruct each speaker to bring their own computer. Note that there are no discussants. Each speaker has 20 minutes for their presentation followed by ten minutes devoted to discussion/questions from the floor. It is up to the discretion of the chair as to whether to allocate discussion time immediately following each paper, or to schedule all discussion time after the presentation of all papers.

Note from ASSA: All session participants must register for the ASSA Meeting. To review participant responsibilities visit https://www.aeaweb.org/conference/2027-participant-information. All sessions will be equipped with a projector and screen. ***ASSA does NOT provide computers or Wi-Fi****. Microphones will be available in the larger rooms.*
